MEDICAL VACUUM AND COMPRESSED AIR SYSTEMS
LIMITED WARRANTY

1. Ohio Medical Corporation warrants to the original purchaser its Medical Vacuum and Compressed Air Systems to be free from functional defects in material and workmanship for a period of twenty four (24) months from the date of shipment, or for a period of twelve (12) months from the date of start-up, whichever comes first.
   a. Start-up shall only be done by an authorized representative of Ohio Medical Corporation.

2. In the event there is a functional defect either in material or workmanship Ohio Medical Corporation will only repair or replace any part or component which is proven to be defective.
   a. System Components sold as individual items are not warranted to include job site installation and wiring, and the warranty set forth in Paragraph 1 is limited to complete units which include all factory installed components and interconnected piping and wiring.
   b. Labor on site is limited to functional defects in workmanship found to be defective at the time of start-up.
   c. The replacement of normal wearing or maintenance items (including but not limited to packings, mechanical seals, oil seals, piston rings, contacts, coils, fuses, etc.) made in connection with normal maintenance services are not covered by this warranty.

3. To obtain service within the warranty period, first contact your authorized Ohio Medical Corporation dealer or the Ohio Medical Corporation Service Department. Ohio Medical Corporation responsibility under this warranty shall be limited to providing at Ohio Medical Corporation sole discretion new or similar rebuilt replacement parts to replace any component found to be defective within the warranty period.
   a. Labor to repair any part or component proved to be defective within the warranty period will be provided at no charge for any item returned to our factory adequately packaged and insured with shipping costs prepaid. Standard surface freight shipping cost and return of the repaired part or component will be paid by Ohio Medical Corporation.
   b. Before returning any part or component to the factory, proper return authorization must first be obtained from Ohio Medical Corporation Service Department.

4. The warranty is valid only when the product has been properly installed according to Ohio Medical Corporation specifications, used in a normal manner and serviced according to factory recommendations. It does not cover failure due to damage which occurs in shipment or failures which result from accidents, misuse, abuse, neglect, mishandling, alteration, misapplication or damage that may be attributable to acts of God. Similarly, this warranty does not apply to units that are re-sold or rented to others by the purchaser.

5. Ohio Medical Corporation shall not be liable for incidental or consequential damages resulting from the use of this product. There are no expressed or implied warranties which extend beyond the warranty of fitness for a particular purpose to the equipment and/or to its parts and components.

6. THE CONDITIONS OF THE BUYER’S RESPONSIBILITY ARE:
   a. The equipment is stored properly before installation.
   b. The equipment is installed according to Ohio Medical Corporation specifications and installation procedures.
   c. The room where the equipment is installed meets stated operating temperatures.
   d. The equipment is placed into initial operation by an authorized representative of Ohio Medical Corporation.
   e. The equipment is properly maintained and is not repaired or altered unless by an authorized representative of Ohio Medical Corporation.
OHIO MEDICAL CORPORATION
MEDICAL GAS PIPELINE EQUIPMENT
LIMITED WARRANTY

1. OHIO MEDICAL CORPORATION warrants the Medical Gas Pipeline Equipment to be free from functional defects in material and workmanship for a period of twenty-four (24) months from the date of shipment or twelve (12) months from the date of start-up, whichever occurs first. Within said period Ohio Medical Corporation will repair or replace any part or component which is proven to be defective in either material or workmanship.

2. To obtain service within the warranty period, first contact the Ohio Medical Service Department.

3. Ohio Medical Corporation's responsibility under this warranty shall be limited to providing at Ohio Medical Corporation's sole discretion, new or replacement parts to replace any component found to be defective within the warranty period. Installation of user replaceable items will be the user's responsibility.

4. Labor to repair any part or component proved to be defective within the warranty period will be provided at no charge for any item returned to our factory adequately packaged and insured with shipping costs prepaid. Standard surface freight shipping cost to return the repaired part or component to the user will be paid by Ohio Medical Corporation.
   a. Before returning any part or component to the factory, proper return authorization must first be obtained from Ohio Medical Service Department.
   b. The user will be required to issue a purchase order for replacement items. Upon receipt of the defective items, Ohio Medical Corporation will issue a credit to the user in the amount equal to the purchase order.

5. This warranty is valid only when the product has been properly installed according to Ohio Medical Corporation specifications, used in a normal manner and serviced according to factory recommendations. The warranty does not cover failures due to damage which occurs in shipment or failures which result from accidents, misuse, abuse, neglect, mishandling, alteration, misapplication or damage that may be attributable to acts of God.

6. Ohio Medical Corporation shall not be liable for incidental or consequential damages resulting from the use of this product. There are no expressed or implied warranties which extend beyond the warranties set forth above. Ohio Medical Corporation makes no warranty of merchantability or fitness for a particular purpose to equipment and to its parts and components.

7. THE CONDITIONS OF THE BUYER'S RESPONSIBILITY ARE:
   1. The equipment is stored properly before installation;
   2. The equipment is installed according to Ohio Medical Corporation's specifications and installation procedures;
   3. The equipment is properly maintained and not altered unless by an authorized representative of Ohio Medical Corporation.
