

# Are You "Room Ready?"

Does Your Patient Room Have Suction?

Does Your Crash Cart Have Proper Suction?

Does Your Suction Equipment Operate Correctly?

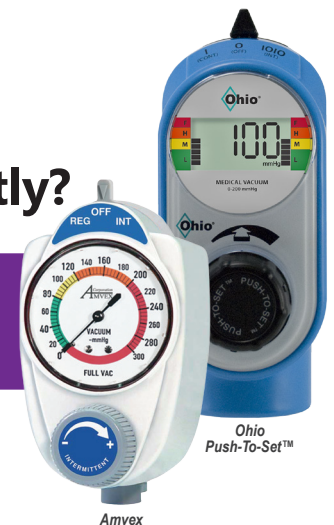

**Find Out Before It's Too Late!**

Schedule Your **Complimentary** Inventory Assessment Today!

For a limited time, Ohio Medical is offering **complimentary** Inventory Assessments to help ensure that you are "Room Ready" for both the expected and the unexpected.

**As part of the complimentary assessment, your Ohio Medical representative will:**

- Review your **suction** equipment inventory room-by-room, cart-by-cart
- Identify any broken or missing **suction** equipment, and
- Summarize your **suction** equipment needs
