Subject: End of Life Notice – Care-e-vac® 3 Portable Suction Unit

Dear Valued Customer,

Ohio Medical is informing you of an upcoming product transition. We will be discontinuing the Care-e-vac 3 portable suction unit and introducing a new generation of advanced models designed to better support your portable suction needs.

The phase-out of the Care-e-vac 3—specifically part numbers **758000** and **758010**—is expected to be completed by **May 31, 2026**. Ohio Medical will continue to offer service and replacement parts for a minimum of **three (3) years**, or for as long as parts remain available. We sincerely appreciate the years of dependable performance the Care-e-vac 3 has provided to our customers.

As we retire the Care-e-vac 3, we are pleased to introduce its enhanced successors, offering updated features, expanded configurations, and reliable performance:

- **Care-e-vac® PLUS**
- **Care-e-vac® C/I**
- **Care-e-vac® EMS**

Product literature and detailed specifications for these models are available here:

We understand that product transitions may require planning, and we are committed to supporting you throughout this process. If you have questions or would like assistance identifying the best replacement option, please contact Ohio Medical Customer Service or your local Ohio Medical sales representative.

Thank you for your continued trust in Ohio Medical.

Sincerely,

Ohio Medical
